

Videoconferencing lectures and exhibitions directed by Natan Karczmar

ArtComTec lectures / Communication of art and the art of communication, relation between art and science, art and new technologies—these are some of the topics presented at ArtCamp 2015 by professionals in the field—artists, theorists and scientists from France, Belgium, USA, Brazil, Izrael and other countries.

ArtCamp participants and the public could watch the 14 lectures directly at the Ladislav Sutnar Faculty of Design and Art and also on the internet through live streaming.

ArtComTec and Natan Karczmar present / Three exhibitions at the Vestredu Gallery introduced artists and art projects from France, Belgium and the Czech Republic. The visitors could meet the artists in person or through a videoconference on the occasion of the exhibition openings.

France / Digital and Video Arts Festival VIDEOFORMES / Gabriel Soucheyre (director

of the festival) and MarieSylviane Buzin—leaders of the ArtCamp 2015 Videomaking course

Belgium / Transcultures Festival and its biennial of digital cultures Transnumériques, Mons 2015 and its sound art festival City Sonic / videoconference: Philippe Franck—director of the Transcultures festival

Czech Republic / Graduates of the Ladislav Sutnar Faculty of Design and Art and their projects / performance: Hana Balážová, videoconference: Alena Drahokoupilová, Vojtěch Velický, Barbora Mráčková, Matěj Al-Ali

Video-bridge / Pilsen 2015—Mons 2015 ArtCamp 2015 and the ArtComTec project connected two European capitals of cultures through a videoconference between the Ladislav Sutnar Faculty of Design and Art in Pilsen and Café Europa in Mons in presence of the representatives of the two cities and their institutions.
